

Wonderfarm Club

MARCH

Unit: The Planting Season

Plant Prepping

- Start and plant fruit and vegetable seeds for the summer harvest
- Prepare & clear our garden area
- Farm to Table: Carrot Cake Cookies

Trish's Pastured Poultry
YOUR PERSONAL POULTERER

Pastured Poultry

- Learn from Farmer Trish from Trish's Pastured Poultry about pasture raising chickens
- Interact with chickens and learn about egg laying and chicken processing
- Farm-to-Table: Making Deviled Eggs!

Pigs- Providing Food & Energy

- Learn about our working pigs and raising animals for meat ethically
- Explore ways to use the pork that comes from pigs to make handcrafted sausage

Farmer's Market & Dinner Club

Each unit prepares children to understand and appreciate the farm process from the soil to the market table

The last session of each month will begin with a Farm-to-Table dinner for the children prepared with ingredients that we learned about during the unit.

Following dinner, students will host a farmer's market where they sell the products that they learned about during the month.

Schedule

March 6th 5-6:30pm

March 13th: 5-6:30pm

March 20st 5-6:30 pm

March 27th 5-7pm

(friends and family are welcome from 6-7pm for the Farmer's Market)
