Vision Statement

At Prigel Family Farm we are committed to our community, humane treatment of our animals and integrity in our stewardship of the land. This summer, we are thrilled to offer an immersive day-camp experience for children- teaching them to appreciate, understand and enjoy the where and how of farm-based foods and products. Children will participate in educational hands-on farming & creating activities, while learning the ins and outs of sustainable farming, cultivating and producing.

Safety and Security

Prigel Family Farm values the safety of every child. Our camp is run by a MSDE licensed educator who is currently certified in early and special education. A staff member with CPR and First Aid training will be present at all times. Staff counselors will have cleared background checks. Campers will only be released to adults with photo IDs who are listed on the authorized pick up list.
