

Wonderfarm Club

NOVEMBER

Unit: Thankful for the Harvest

Pumpkins: Not Just for Halloween

- Participate in care of on-site animals
- Explore the pumpkin lifecycle
- Explore the parts of a pumpkin
- Make Pumpkin Pie in a Bag

Sun to Moo to You

- Continue putting our garden to be for the winter
- Explore soil and learn more about regenerative farming
- Learn more about dairy farming and dairy products
- Taste hot chocolate and make hot chocolate mix.

Thankful

- Continue caring for our on-site animals and learn about their habitats and how animal care changes (or doesn't change) with the seasons
- Discuss common autumn food traditions
- Learn how many items created through farming can be gifted for the holidays. Create wreaths from trees on our farm

Farmer's Market & Dinner Club

Each unit prepares children to understand and appreciate the farm process from the soil to the market table

The last session of each month will begin with a Farm-to-Table dinner for the children prepared with ingredients that we learned about during the unit.

Following dinner, students will host a farmer's market where they sell the products that they learned about during the month.

Schedule

November 5th 5-6:30pm

November 12th: 5-6:30pm

November 19th 5-6:30 pm

November 26th- **No Club**
Thanksgiving Week
